

Department of Accountancy (DoA)

Flexible Solution -
Bright Future

Your Gateway to Professional
Careers in Accounting

DoA was established under the Faculty of Commerce and Management Studies (FCMS) of the University of Kelaniya in 1995 with a broad purpose of generation high quality accounting graduates who are globally employable and marketable.

In order to support this, the DoA offers Higher Diploma in Business Accounting (HDipBAcc.) programme to address the need of students who have not reached higher education in the field of accounting and who have intended to proceed with this discipline.

Higher Diploma in Business Accounting

Higher Diploma in Business Accounting (HDipBAcc.) is a flexible programme providing an opportunity for students with little or no background in Accounting and Finance to acquire a solid foundation in these areas.

The programme allows students with varying levels of knowledge and experience to build or extend their understanding of Accounting and Finance.

The Higher Diploma in Business Accounting is a qualification course for those who are interested in pursuing further study at Bachelor's level.
