

AKURATA SAVIYAK

AKURATA SAVIYAK CSR project which is organized by Department of Human Resource Management of University of Kelaniya was held on 3rd of August in Marassana Hewawissa Vidyalaya.

AKURATA SAVIYAK is a social service project which is organized by the second-year undergraduates of Department of Human Resource Management for the first time with the idea of giving hand for rural schools which do not have sufficient facilities to do their education smoothly. The ultimate intention of our project is to help those innocent souls in Marassana Hewawissa Vidyalaya to see the world through the obstacles which occurred due to Covid- 19 pandemic.

Under this project, we conducted webinars to aware students on new normal situation and how to overcome difficulties, we collected

usable books to donate to their library and other school stationeries to arrange a small gift. Our final step was to visit the school and renovate the school premises. Considering the restrictions due to the Covid -19 pandemic, we could arrange a little function and could donate the books with a limited participation.

Finally, we would like to give our honorable thank to Dr. M.P.N. Janadari the head of department, Dr. Prabhashini Wijewantha, Senior Lecturer Mrs. R.K.N.D. Dooradarshani and Lecturer Ms. Rushna Preena for being by our side from the beginning to the end and giving us their support to success our project “AKURATA SAVIYAK”. And also, we are thankful to W.M.H.K.D. Wickramasinghe, the principal and U.M. Paligumanike, the Vice Principal of Marassana Hewawissa Vidyalaya for giving their support during the period of our project. Finally, we are grateful to all the undergraduates who were with us and all the volunteers who contributed their support towards us.
