YEAR 2 & YEAR 3

COURSE CODE	COURSE TITLE	CREDITS
FGSB 8327 α	Dissertation	60

To earn the DBA degree, students in the program must complete a dissertation spanning between 40,000 to 60,000 words, under the meticulous guidance of a research supervisor. Candidates are required to defend both their dissertation proposal and final thesis for the degree award. The Doctoral Committee (DC) evaluates the proposal before confirming the date for the oral presentation.
