

CONDITIONS FOR USE OF THE EDUCATIONAL ORGANIZATIONS MANAGEMENT SYSTEMS CERTIFICATION MARK

*SLSI ISO 21001:2018 Educational Organizations Management Systems
Certification Mark*

The Certification Holder is entitled to use the ISO 21001:2018 Educational Organizations Management Systems Certification Mark in accordance with the regulations set out below.

1. Educational Organizations Management Systems Certification Mark shall be used only by the Certificate Holder.
2. Educational Organizations Management Systems Certification Mark shall be used during the period identified in the Certificate of Conformity.
3. Educational Organizations Management Systems Certification Mark shall be used on letterheads, advertisements and promotional documentation, but only in respect of the scope defined in the Certificate of Conformity.
4. Educational Organizations Management Systems Certification Mark shall not be used in association with a certificate/product, or certificates/products or in any way, which may infer that the person (certificate holder)/ product or persons (certificate holders)/ products are certified.
5. Educational Organizations Management Systems Certification Mark shall not be applied on the certificates to infer that the holders of the certificates are certified. Also, it is not permitted to use the Educational Organizations Management Systems Certification Mark in laboratory test, calibration or inspection reports.
6. Educational Organizations Management Systems Certification Mark may be used in letterheads, advertisements and promotional documentation but only in respect of the scope defined in the Certificate of Conformity, subject to the declaration that the Educational Organizations Management System has been certified by the SLSI. Prior approval of the SLSI shall be obtained by the organization for an artwork of such material.
7. If the organization wishes to declare along with its own logo designed for the Educational Organizations Management System that it is ISO 21001 certified such declaration shall always be accompanied with the ISO 21001 as the management system certified and the Sri Lanka Standards Institution as the certification body. Prior approval of the SLSI shall be obtained by the organization for an artwork of such material.
8. Application of the ISO 21001:2018 Educational Organizations Management Systems Certification Mark is permitted:
 - in black on a white background, or a background in another colour clearly contrasting the black ;
 - with a diameter of at least 5 mm ; and
 - to use only the preferred sizes as given.
9. If and when necessary SLSI will lay down other regulations in writing with regard to the use of the Educational Organizations Management Systems Certification Mark. Such regulations shall be a part of the Certification agreement.
